# Carly Future, Gone Forever?

👁️ 41 ✓ 1 ⭐ 2

## Chapter 1 by Sassy Cassy

It just so happens that Hilde somehow shut the account down. Will she strike back with another secret identity? Who knows at this point. Was she setting Hilde up or are people actually right. I'm not going to make a statement about this because you never know who it actually is. Sooner or later this person s going to come clean, right? Have fun getting humiliated CF

## Chapter 2 by Sacred

Hey, I have been sacred, if you can tell by my name, well I just wanted to say, Heidi Ash, or Hilde, used to be my friend. Used to, before she make fake accounts and stuff....I could not do anything about it. If we freak out and go and ask people 'Who is Sassy Cassy?!?!? and who is Carly future?!?'" Well forget about it, the more attention we bring, the more it seems that we are encouraging it. If we all know who it is already, why still bring it up?
